Subject: RE: Response to SFIREG Issue Paper on Treated Seeds

Hi Amber,

Thanks for letting me know. We will keep the meeting on today but I can update you later today on what we discussed. I put together the list of issues raised in the SFIREG issue paper and compared that to the response so I can share that as well.

Best,
Quinn

Quinn – I'm double booked for this time. If you want, I can review whatever you draft and discuss separately. Tuesday is a busy day for me. Today or Wednesday might be better if you want me at the meeting. No worries otherwise.
